Some people say that Robux takes too long to obtain in free roam, but with the new update, Roblox changed that by either allowing players to win a certain amount of Robux while playing a game or earn them by watching videos.

Rated 4 out of 5 by Anonymous from Great for kids I love this game because I have good time with my friends. For example, we build houses and race cars. I think the game is fantastic and it helps me to learn better. It's not just for kids because sometimes adults play it too. I love it so much and think other kids should play it.

The chart below contains the top 5 accounts with the most amount of plays on ROBLOX in that year (as of December 31st). This chart is directly taken from ROBLOX's blog post for each respective year. ROBLOX games have made the news many times in the past. Below is a short list of some of them. Prior to 2021-2021, ROBLOX game developers were responsible for any known instances of hacking that happened in ROBLOX. There were also older instances where hackers had not yet discovered the community, but eventually did so, and started making exploits on their games that were very popular (such as "Hacker Escape"). Hackers also used an exploit to gain access to admin privileges on a game called The War Factory, which had over 500,000 concurrent players at once. When this was discovered, the hacker was immediately taken down by ROBLOX's staff.

Roblox claims that she was fired because they found out she was using her workplace computer to dig up personal information about her co-workers and this affected her job performance. However, she claims that the only reason they are saying this is because they found out about her blog post and didn't want the bad publicity. Roblox also provided an email that Chris sent to HR in May of 2021 regarding erratic hours. She says that it was just a single complaint and wasn't fired for it.

Players try to keep up with others by making and buying new items. It's not always easy to come up with the money to buy items, but thankfully, you can earn robux for free and buy new clothing, accessories, and gear for your avatar.

ROBLOX has banned thousands of accounts, usually for viral videos made by "trolls" or people who want to annoy other users/admins. Most of the bans these users receive are handed out by administrators but every once in a while a user will get banned for a "troll" video or similar reason. Some are also apparently banned because they made potentially offensive comments in the chatbox, not for any type of post or action that breaks the TOS.

Throughout 2021, ROBLOX released a handful of new products including: "Virus Assault", "Prophet", and "Super Bomb Survival". "Prophet", released in August 2021 was essentially a demo for "Super Bomb Survival" which was released in November of the same year. ROBLOX started to develop more games in 2021, including: "Boom Boom Speedway", "Pirate Invasion", and a brand new version of "Dance Off". On February 6, 2021, ROBLOX launched a new game named 'Gladiators'. This game was one of the first games where being shot by another player would cause damage towards your avatar. It also included characters that could attack back.

On June 21st 2021, ROBLOX announced that all spambots will be blocked. [70] Criticism: Roblox is frequently criticized for having a lot of children on the site. This criticism has not been limited to adults, but has also been aimed at the company as well. There have been several stories of people being scammed by users who receive no response when attempting to use a built-in feature that allows the user to block other users from messaging them.[71]

ROBLOX has also been criticised for lacking any kind of quality assurance for its games. There have been many issues with the quality of some games and many users have complained that their game descriptions are not accurate. The site is also frustratingly inconsistent in the manner it deals with things like this, often banning users who complain about bugs and glitches within their games but not actually banning anyone who commits an illegal act, such as copying someone else's game and selling it without permission.

ROBLOX has also come under criticism for not having any sort of Quality Assurance, meaning that there is a high chance that the art in users' games will have issues, such as visual glitches, poor texture quality, and various other issues with the art itself.

Rated 4 out of 5 by Anonymous from Pretty good game I think this game is pretty cool and it has really good graphics and it can actually teach you various things such as math and reading. I think it is a good app for anyone who loves online games.

ROBLOX has also been criticised for its lack of badge incentives for participating in games, or even logging into the site at all. ROBLOX models these badges and credit prizes after the badges found in games like Journey, where a lot of doing nothing gives you a lot of money, which is possibly a reason some players don't log in. ROBLOX also has very few quests to complete that reward badges/credits.

There are also promo codes which require that you exchange them for another game or a limited time. These promo codes are specialized and can be used on a certain place or game. There are also promotional codes which work in limited time. If you do not use these within the time limit, then they cannot be used anymore.

On July 27th, 2021, ROBLOX announced that they were going to be having an "open beta" of a new in-game currency system that would allow users to buy and sell virtual currency. This feature was added to the site in 2021, but this was the first time that it was open to everyone. This new system came with a "Queueing" system similar to YouTube's order form, which many game creators saw as useful in saving time from waiting for transactions manually. Users can still trade with each other if they wish to do so.[23]

Roblox uses multiple methods of advertising. They first started advertising on websites like Nickelodeon, but they have moved to focusing on social media sites like Facebook and Twitter.[66] Roblox also primarily advertises at gaming conventions such as E3 and Minecon. Roblox has an official YouTube channel on which they occasionally stream live events called "Developer Live", where Roblox employees give sneak peeks of upcoming features.[67] They have also recently released a list of YouTubers that are apart of their Developer Program called the "Roblox Ambassador Program". These YouTubers are able to test new features in Roblox before anyone else with the exception of Google employees.

It's possible to use Roblox as a peephole into other people's accounts - this can be done by using third-party software like PeepHole to install backdoor with root privileges for the account. Because it has such wide availability on each device, it is an easy way for hackers to compromise multiple devices in one go. It was reported that 2-3 billion public profiles were compromised in Brazil alone in June 2021 and April 2021!
