Roblox has been criticized by parents for issues such as allowing players to have relationships with other users through the game, and allowing players to (unsuspecting) "friend" hackers. Other criticisms include consuming large amounts of bandwidth, and not being child-friendly. The site has been removed from school computers in order to protect children.

On August 4th 2021, it was revealed that many well known ROBLOX users made fake accounts in order to copy their friends' progress. These fake accounts had the same username and picture as the original account owner but had no friends. Once these fake accounts gained a good amount of currency, they would join a game then buy the maximum amount of slots possible. The real account owner would notice that their account was missing and look at the fake profile's profile. While there were no friends, there were tons of transactions for items such as a \$100-\$150 purchase for 2021 robux. This could have been used to raise their reputation and potentially, make them more money.
