In March 2021, ROBLOX added a new feature that allows builders to use an already existing image of a face as their character's face. The face can be uploaded from the user's computer or through an online camera. This feature has been disabled for the 2021 Halloween game The Mad Murderer.[38]

A user's membership is displayed as a number of "blocks" that they have in their account. This number can be increased at any time by purchasing a builders club membership which also unlocks other features such as custom backgrounds, avatars and other features like chat rooms and new games. The first block costs 99 cents, while additional blocks begin at \$2.99 for 12 blocks. Unlike Xbox Live Gold and PSN, the number of blocks does not reset after you have purchased them, but keeps track of all the purchases you made up until you buy more blocks.

Hacking Roblox is a problem that will always exist. This is because there are many different forms of hacking that are constantly evolving. One of the most common methods of hacking Roblox accounts today is through phishing. This method involves an email being tailored to look like it came from a trusted sender to gain access to a person's account and information such as passwords, usernames, mother's maiden name, Robux balance, etc. Another way that hackers hack into Roblox accounts is through using proxy sites. This method involves people using websites that offer their own proxies in order to hide their inputs and output information from the public eyes. People can hack a password by using the obtained information from other websites and then use an automated script to guess the password. This method is not only used for Roblox, but also for other accounts that are associated with games.

Rated 4 out of 5 by Anonymous from Good for kids My son loves this game! It helps him study for his tests and play with his friends. His favorite part is that the creators have set everything up so that parents can control what their children see online.

The game's worlds are different from most games on Roblox, because they are not based around themes. This makes the game easier to navigate when learning how the world works, and also allows for more creativity in the types of things that can be made. The world is made up of a variety of things; buildings, vehicles, furniture and objects such as weapons and armor. Each item has its own purpose and will function in the way it was intended for.

Rated 4 out of 5 by Anonymous from This game was fun When I first started at roblox I was a bit confused because I did not know how to play it. After some minor confusion, I got the hang of this game and it was really fun! Rated 4 out of 5 by Anonymous from Alright This game concept is great but has a lot of ads which is very annoying. The gameplay kinda ruins the whole thing. All for the ads though. Rated 4 out of 5 by Anonymous from Amazing game Roblox is so much fun, almost like real life! The only thing I don't like is the suggestion for the game to make it more realistic, but that's just my opinion. I think this app could be a 5/5 but unfortunately there are a lot of annoying ads. Rated 4 out of 5 by Anonymous from add more features I would recommend this app to other people because there's a lot of different games and you can play them all. I give this app 4 stars because there's only one problem the app keeps on closing on an add opens up I end up getting logged off and then I have to log back in again and then I start the game over the add pops up again so you can't play with out the game closing. BUT besides that it's a great app! Rated 4 out of 5 by Anonymous from Sim It's a pretty good game, since I can pretend that it's real life. I don't like how you have to download things, though. There are also a lot of bugs. Rated 5 out of 5 by Anonymous from roblox Roblox is the best game ever you can do so much with your imagination it's like real life. If you have a roblox account me and my friend joshdoe2021 will be happy to join your games and become your friend. But do not accept random people as friends because they will ruin your game. Rated 4 out of 5 by Anonymous from roblox review This is the best game I have ever played before it's like a real life adventure it's fun and you can play with friends and you get to be whoever you want. There are all kinds of concepts there's my little pony, space, adventure, roblox is awesome so get started I am telling you right now that this app was the best thing I've ever played before it's awesome! Rated 4 out of 5 by Anonymous from Add green locks I love this app because of how much fun there is! The green locks are one of my favorite features. I just wish you could edit your place in real time, like on ROBLOX. I have put a lot of work into my place and it takes forever to change when I travel there. Rated 5 out of 5 by Anonymous from roblox Roblox is awesome!!! The only problem is some glitches when I press play on them sometimes they won't work or crash. It's great!! And if you are reading this in 2021 roblox will be coming out for the Xbox! Rated 4 out of 5 by Anonymous from It's pretty good I can't play it at school tho because we can't get any data. i love the game but it's so frustrating waiting for more data usage. Rated 4 out of 5 by Anonymous from roblox It's so cool, I love that you can be whoever you want. I think you should make the game even go more places. I know there is a lot now but if it goes to much we could get bored of it. Rated 5 out of 5 by Anonymous from roblox review This game is so good and easy, but one thing is that sometimes it doesn't work and people don't know how to repair glitches Rated 4 out of 5 by Anonymous from roblox review The game is fun and i love the green locks! But there are glitches where sometimes the name or whatever you put in won't come up. Please fix this glitch. This game keeps me occupied when i am bored but is hard to play at school because there's no wifi. But its fun and addictive and i love it! Rated 5 out of 5 by Anonymous from roblox review I think roblox is a really good game .I think that you should add more then 4 players on a server because if u have 30 people that want to play you have 2 just sit there and off line and not know what to do. Like I said before more than 4 players on a server please. I also think you should add no lag and or slow down in the game or else it will be boring. Thank You Rated 3 out of 5 by Reviewer123 from Issues I love this game but there is problems. There is no chat bar it makes me mad because everyone talks with each other on mics and get mad at them for not being in game but they don't know because there's no chat bar.

I love Roblox, but sometimes it's hard to keep the game up and you seem to be forced to buy certain games. I think there should be a better way of getting new people in the game and not having so many bad games out there. Everyone is trying to make money off of Roblox, which is good, but I just wish that they could make more updates for the games and keep them working properly.
